

WATER SOFTENERS

The Monongahela

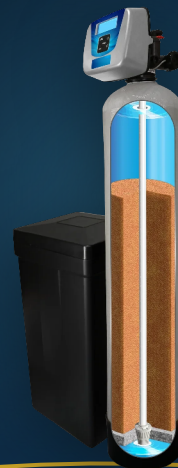

The smart softener

The Monongahela is our smart solution for softer water every day. Quality construction and dependable operation help upgrade your entire home, so scale buildup, soap scum and dingy laundry become a distant memory. Its high-efficiency design adjusts its cycles to how your household actually uses water.

Advanced Construction

Clear Value Proposition

Whole-Home Protection

IN SHORT

The Monongahela is the smart water softener in the Three Rivers lineup, in four sizes, with predictive technology that learns your household's water usage and adjusts its cycles to match. It is installed across the Greater Pittsburgh area for homeowners who want high-efficiency softening.

SPECIFICATIONS

- ◆ **4 Sizes Available.**
- ◆ **Low Maintenance:** automatic regeneration, just add salt.
- ◆ **Salt Monitor, Built to Last** and **Safety is Standard.**

KEY FEATURES

- ◆ **Softening Resin:** Captures calcium and magnesium hardness minerals protecting your home and body.
- ◆ **Advanced Technology:** Includes predictive water usage to automatically adjust cycles to match your habits.
- ◆ **Salt Monitor Available:** Optional alert can be set to remind owner that salt needs to be added.

Is The Monongahela right for your water?

Every recommendation starts with a free in-home water test. If your water does not need a system, we tell you that too. Installed by a local plumbing professional under contract with Three Rivers.
